FUERTE HOTELES

FUERTE MARBELLA *Malaga*

One of Marbella's most emblematic hotels

When it opened its doors in 1957 it was the first hotel in Marbella, which at the time was just a small fishing village. Over the years it gained fame and started to attract a varied range of renowned guests such as Walt Disney, Rafael Alberti and the great Lola Flores, who spent many a summer enjoying the facilities. Today, it is still a Costa del Sol classic, with an excellent seafront location, ample landscaped areas, a cosy terrace with leafy pine trees guaranteeing an excellent year-round Mediterranean micro-climate, and a restaurant-grill on the beach where the best of Andalusian cuisine can be found.
